

## Downloading Zito TV2Go on iOS Devices

Zito Media's TV2Go services can be installed on your iOS device through the App Store.

1. From the home screen, tap the App Store.
2. Select "Search".
3. In the search field, type: Zito TV2Go.
4. Select the Zito TV2Go app.

5. Next to the Zito TV2Go app, select "Get".
6. A pop up will appear, click on "Install" to confirm the installation of the app.
7. Zito TV2Go will now be installed on your iOS device.
8. Once the app has finished installing, it will show up on the Home screen of your iPhone.
